CATALOG

A JOINT VENTURE BETWEEN MODERN & ANCIENT MANAFACTURING

Egypt is the leading nation in this vast and ancient area of stones. Imagine the pyramids and the magnificent monuments in the Greek-Roman metropolis of Alexandria. We also found the Islamic Arabic and Coptic Christian monuments. It's a tremendous history for stones. With great pleasure, we present **DREAM STONE**, one of the leading producers of stones in Egypt and the Middle East.

MATERIALS

Our company is proud to have a team of dedicated, innovative and experienced staff. We turn designers' vision into a reality and we achieve projects completion at cost level and standards which are valued by our clients.

We consistently sources a wide range of stones to suit any palette, from classic to contemporary, through systematic analysis of the global market.
